L & J.G. Stickley

"Well our history is here, our roots are here, and we've been very successful here. It's a great place to manufacture, logistically were close to all of the major cities in the Northeast, there's a good labor pool, and right now a very good business climate in New York State."

Alfred Audi

President of L. & J.G. Stickley

L. & J.G. Stickley manufactures high-end solid wood furniture with six retail stores.
